## **Exeter Campus Recruitment Process -**

1. An initial set of online assessments are shared with the college. The students have to take this online assessment. This

includes the following 3 assessments and a Google form with assessment questions

a. Aptitude

b. English

c. Software basics

2. Programming challenge 1

3. Programming challenge 2

4. Face to face (Online) interviews ( via google meet with Exeter management team).

We will be sharing the details of assessment links on the date of assessment. Kindly inform us of the date when we can start the recruitment.

Stipend: 8000 for part time interns (20 hours per week) and 15000 for full time interns.

Please let me know for further clarification.
